

Increase Franchisee Engagement While Keeping Brand Editorial Content

SeoSamba's **Franchise Marketing Operating System** helps you design a social marketing strategy through a shared calendar for your entire network in one spot.

-  One license allows posting to unlimited social pages
-  Share images, videos, social posts, blogs and newsletters templates from your FMOS media library with your franchisees instantly
-  Save your favorite resources to franchisee dashboards for easy-to-find content they can share to social media
-  Automate a posting schedule for Facebook, Twitter, LinkedIn and Google My Business for your entire network
-  Use AI-powered automation for content creation, image search, report summaries, and review responses

Do all this  and more from your desktop or from the **SeoSamba Social Marketing app** on your device.
